

## Webinar Recording Now Available: Public Comment on the Office of Developmental Program's (ODP) Heightened Scrutiny Service Locations

### ODP Announcement 22-121

#### **AUDIENCE:**

All interested stakeholders

#### **PURPOSE:**

To announce the availability of the recording of ODP's webinar for public comment on the heightened scrutiny service locations.

#### **DISCUSSION:**

On December 1, 2022, ODP held a webinar to provide an overview of the heightened scrutiny process and listen to public comment. The recording of the presentation provided by ODP staff during this webinar is now posted on [MyODP](#)

Public comment is being accepted until 11:59pm on December 19, 2022. The documents for stakeholders to review to provide public comment are also available at the above link. Please review [ODP Announcement 22-117](#), *Open for Public Comment: Proposed Heightened Scrutiny Service Locations to be Submitted To CMS*. This announcement gives a background description of Heightened Scrutiny, the documents available for public comment, and how to provide public comment.

Public comments that are received on the service locations that are being proposed to be submitted to the Centers for Medicare and Medicaid Services (CMS) will be considered in making final determinations on each service location.
