### ODP Announcement 23-028

#### AUDIENCE:

Individuals, Families, Supports Coordination Organizations (SCOs), Supports Coordinators (SCs), SC Supervisors, Direct Service Providers, Administrative Entities (AEs), Directors or Administrators, All Interested Parties

#### PURPOSE:

This ODP communication announces the release of the Annual Waiting List Report 2022.

#### DISCUSSION:

The waiting list is comprised of individuals who are eligible to receive services and supports through ODP's four home and community-based services (HCBS) waivers, however, due to insufficient waiver capacity, the state cannot currently meet their needs. In this report, you'll find information regarding ODP's strategies and initiatives to address the problem. The report also demonstrates the progress that has been made since 2015 to reduce the number of individuals on the waiting list.
