

KEPRO SOUTHWESTERN PA
HEALTH CARE QUALITY UNIT

Continuing Education Webinars

Monday, June 26, 2023

9:00 a.m. - 2:30 p.m.

(30-minute lunch break 12:00 p.m. - 12:30 p.m.)

The Kepro HCQU invites you to attend these two free webinars:

MENTAL HEALTH ETHICS ASSOCIATED WITH SERVICES PROVIDED TO INDIVIDUALS WITH INTELLECTUAL DISABILITY/AUTISM (ID/A) AND GENERAL POPULATIONS: LEGAL EXPOSURE, BOUNDARIES, AND RECORD KEEPING PRACTICES

9:00 AM - 12:00 PM

— Dr. Allan M. Tepper

ETHICS OF DANGEROUS BEHAVIOR: ASSESSMENT, TREATMENT, AND MANAGEMENT OF SUICIDE RISKS AND THE DUTY TO PROTECT BY WARNING WITH INDIVIDUALS WITH INTELLECTUAL DISABILITY/AUTISM (ID/A) AND GENERAL POPULATIONS

12:30 PM - 2:30 PM

— Dr. Allan M. Tepper

TO REGISTER:

- ❖ Go to hcqu.kepro.com
- ❖ On the top of the page, click on the tab that says **Training**.
- ❖ In left-hand column, click on **Instructor-led Training Registration**
- ❖ Complete information, including e-mail for confirmation
- ❖ **Select Training:** (MH Ethics-Exposure, Boundaries, Records (PsychCEs) for the morning webinar and Ethics of Dangerous Behavior (PsychCEs) for the afternoon webinar)

Target audience for this presentation: Psychologists, Social Workers, Licensed Professional Counselors, Nurses, and other professionals who support people with intellectual disability/autism (ID/A).

A question-and-answer session will follow each webinar. Attendees may submit questions via the online Q&A chat.

of CEs offered: 5 (3 for the morning presentation and 2 for the afternoon presentation).

Date and Time of Presentation: June 26, 2023 from 9:00 AM - 12:00 PM and 12:30 PM - 2:30 PM (with a thirty-minute break for lunch).

Speaker: Both webinars will be presented by Dr. Allan M. Tepper, forensic and clinical psychologist and licensed attorney-at-law.

UPON COMPLETION OF THIS WORKSHOP, PARTICIPANTS WILL BE ABLE TO:

Mental Health Ethics Associated with Services Provided to Individuals with Intellectual Disability/Autism (ID/A) and General Populations: Legal Exposure, Boundaries, and Record Keeping Practices

Objectives:

- ❖ Allow the participants to identify the ethical concerns associated with client clinical interactions.
- ❖ Educate the participants in instituting record keeping practices that are consistent with continuity of care issues.

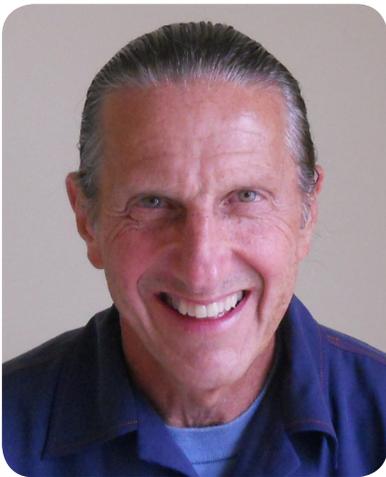

Ethics of Dangerous Behavior: Assessment, Treatment, and Management of Suicide Risks and the Duty to Protect by Warning with Individuals with Intellectual Disability/Autism (ID/A) and General Populations

Objectives:

- ❖ Educate the participants in incorporating the 2022 American Psychological Association's Guidelines for Assessment and Intervention with Persons with Disabilities when addressing a risk of suicide and harmful third-party behavior.
- ❖ Allow the participants to become facile with the Pennsylvania Emerich duty to protect by warning standard.

ABOUT THE SPEAKER

Dr. Allan M. Tepper, an expert in the area of mental health ethics, maintains an active law practice and an active psychology practice in Philadelphia, Pennsylvania.

As an attorney, Dr. Tepper represents individuals in licensing boards and disciplinary proceedings; provides legal consultation to mental health professionals experiencing ethical concerns; and administers a pre-paid Legal Consultation Plan offered by the Pennsylvania Psychological Association.

As a psychologist, Dr. Tepper conducts psychological assessments in civil, malpractice, and criminal cases, as well as serves as an expert witness rendering testimony in state and federal matters.

Dr. Tepper conducts trainings in ethics and law for mental health professionals throughout the United States and frequently publishes, including co-authorship of Pennsylvania Law, Ethics, and Psychology-Eight Edition.

Southwestern Pennsylvania Health Care Quality Unit

The Kepro HCQU is approved by the American Psychological Association to sponsor continuing education for psychologists and maintains responsibility for this program and its content. Documentation for continuing education credits will only be awarded to those who attend the entire training, sign into and out of the training, complete a test, and complete an evaluation. Certificates will be rendered within 30 days of the training. Attendees are responsible for submitting documentation to their respective agencies. Instructional methods used in this training include informational literature, audience participation, and a question-and-answer session with the presenter.
